

# Varsity Men's Soccer

## Kick it like it's Fifa

Aidan Sullivan (11)

**Eagles with a new set of wings.** This year, the Enloe Men's Soccer Team passed their limits, shocking the whole Cap-7 as a result. Finishing 2nd in the conference, the boys proudly entered the playoffs with plenty of wins under their belts. Being led by Coach Womble for another year has led to an obvious growth within each and every player. The team hopes to learn from this year and strive to be number 1 next season!

**Senior Citizens.** Although the rookie game was strong this season, the success of the soccer team was boosted at the power of the seniors. Emir Sevim (bottom left) and Sai Maale were this year's star senior keepers. Emir had a total of 147 saves and shutout 8 out of the 12 conference games. Emir also represented the eagle name and was one of the players to receive all conference for his star performance and leadership. Mohammed Abdulhadi is known as "Walmart Ronaldo" for his saucy skills on the field. Josh MacMillan (top right) said, "Coach Womble has been one of the biggest influences in my high school career and I will be forever grateful for him." He says that Coach Womble gave him the confidence and drive that he needed to succeed and these skills will stay with him forever. Starting in the back, George Chen (right) always comes to a game ready to fight and excited to represent the eagles. Ian Rupp (top left) showed great determination and hopes to continue his soccer career in Germany. Mason Stevens and Allen Alfaro also put their hearts into the team and will be missed greatly.

**Soaring Captains.** Senior Harry Cooper and 3 time captain of the team scored a total of 17 goals this season. This great leadership and performance on and off the field awarded him with "All Conference" as well as a nomination for "All America", an award that compares young athletes across the whole nation. "It is the greatest feeling to see success in a team you and your teammates put so much work into," Cooper says. Chris Murphy (12) successfully finished his high school soccer career defending the back line every game this season. Juniors Aidan Sullivan and Grant Alexander also had the opportunity to lead their teams to success as captains alongside Harry and Chris. Aidan claimed the season record of 16 assists and held strong in the midfield. Grant says, "The most memorable thing about being captain this year was having the opportunity to hype up the team along with being a leader of such a great group of guys."
